

# 2024 Seeon Angioscience Conference program

## Saturday, September 21, 2024

15:00            **Welcome and Introduction**  
Michael Potente (Chair), Ondine Cleaver (Vice Chair)

15:15 – 19:00 <b>Session 1</b>
--------------------------------

**Vascular differentiation, specialization and heterogeneity**

Discussion leaders: Taija Mäkinen (Uppsala, Helsinki) & Hans Schoofs (Uppsala)

15:15            Karina Yaniv (Rehovot)

15:45            Ralf Adams (Münster)

16:15            *Coffee break*

16:45            Short talk: Kaska Koltowska (Uppsala)

17:15            Short talk: Stefan Schulte-Merker (Münster)

17:45            Natasha Harvey (Adelaide)

18:15            Christer Betsholtz (Uppsala)

18:45            Flash talks I

19:30            *Dinner*

## Sunday, September 22, 2024

08:30 – 12:00 <b>Session 2</b>
--------------------------------

**Cellular fitness, competition and clonality in vascular development and disease**

Discussion leaders: Holger Gerhardt (Berlin) & Julia Kraxner (Berlin)

08:30            Taija Mäkinen (Uppsala, Helsinki)

09:00            Short talk: Katrien De Bock (Zurich)

09:15            Short talk: Hans Schoofs (Uppsala)

09:30            Karen Hirschi (Charlottesville)

10:00            *Coffee break*

10:30            Miguel Torres (Madrid)

11:00            Short talk: Gabrielle Bergers

11:15            Mariona Graupera (Barcelona)

11:45            Flash talks II

12:00            *Group photo*

12:15            *Lunch*

13:15 – 15:00    **Poster Session I**

15:00 – 16:15    **Session 3**

**Enabling technologies in vascular biomedicine**

Discussion leaders: Mark Kahn (Philadelphia) & Siqi Gao (Philadelphia)

15:00            Rui Benedito (Madrid)

15:30            Short talk: Joseph Lim (Berlin)

15:45            Bin Zhou (Shanghai)

16:30 – 22:00    **Social Event** *including Dinner*

**Monday, September 23, 2024**

08:30 – 12:15    **Session 4**

**Communication- and mechanobiology in the vessel wall**

Discussion leaders: Christer Betsholtz (Uppsala) & Peter Luo (Dallas)

08:30            Kari Alitalo (Helsinki)

09:00            Short talk: Mahak Singhal (Mannheim)

09:15            Carmen Ruiz de Almodovar (Bonn)

09:45            *Coffee break*

10:15            Julien Vermot (London)

10:45            Short talk: Yan Chen (Kobe)

11:00            Claudio Franco (Lisbon)

11:30            Mark Kahn (Philadelphia)

12:00            Flash talks III

12:30            *Lunch*

13:30 – 17:15    **Session 5**

**Vascular barriers, niches and interfaces**

Discussion leader: Rui Benedito (Madrid) & Stephen Spurgin (Dallas)

- 13:30 Didier Stainier (Bad Nauheim)  
14:00 Short talk: Malavika Bimal Desai (Uppsala)  
14:15 Shiri Gur-Cohen (San Diego)  
  
14:45 *Coffee break*  
  
15:15 Hellmut Augustin (Mannheim, Heidelberg)  
15:45 Short talk: Amélie Sabine (Lausanne)  
16:00 Joanna Kalucka (Aarhus)  
16:30 Chenghua Gu (Boston)  
17:00 Flash talks IV

17:15 – 19:15	<b>Poster Session II</b>
---------------	--------------------------

- 19:30 *Dinner*

**Tuesday, September 24, 2024**

8:30 – 12:00	<b>Session 6</b>
--------------	------------------

**Modelling vascular development and disease**

Discussion leaders: Karina Yaniv (Rehovot) & Yang Zhang (Berlin)

- 08:30 Holger Gerhardt (Berlin)  
09:00 Short talk: Kirill Salewskij (Vienna)  
09:15 Short talk: Elisabeth Tournier-Lasserve (Paris)  
09:30 Kristina Haase (Barcelona)  
  
10:00 *Coffee break*  
  
10:30 M. Luisa Iruela-Arispe (Chicago)  
11:00 Kyle Loh (Stanford)  
11:30 Ondine Cleaver (Dallas)  
  
12:00 **Final announcements**  
Ondine Cleaver & Michael Potente

**End of meeting**

- 12:30 *Lunch*  
13:30 *Departure of shuttle buses*
